Directions within the Park [Take North Boulevard east to Avenue A. Go northeast on Avenue A to 3rd Street proceeding south to Avenue C. At Avenue C turn left into the paved area, go to the water (Fountain of the Planets) and turn right, treating all host trees in the paved area until you reach Avenue D; turn right at Avenue D and go back to 3rd Street. Turn left at 3rd Street traveling south to Avenue F. Turn right at Avenue F traveling northwest to 1st Street. Turn left at 1st Street and travel east, keeping the Astral Fountain on your right side (in the treatment area) and pass also the Queens Theater on your right. After passing the Theater, go straight to the park exit road (sign says exit to the LIE, Van Wyck, & the Grand Central Parkway). To do this you will cross 1st Street, which turns right as soon as it passes the theater. Turn right at Meridian Rd and travel north to South Boulevard. Turn left on South Boulevard and go over the Grand Central Parkway. Once on the west side of the parkway treat all host trees in a southern direction for about 40 yards. (At this point there will be a clearing with no host trees for a long distance). Return to South Boulevard and turn left, proceeding west to the intersection of 111th Street;] north on 111th Street to the point of beginning.
